*"What if Christmas, he thought,
doesn't come from a store. What if
Christmas, perhaps, means a little
bit more."*

-Dr. Seuss, *How the Grinch Stole Christmas*

DEAR SANTA...

Dear Santa, If you bring presents with batteries, bring batteries.

DK

Dear Santa, How are you and the reindeer doing? I am doing fine. I want a new football game and football because my little brother always tries to steal mine. He may look sweet but he is the devil! I also want a remote control truck.

Love, Evan

Dear Santa, I would like some Taylor Swift tickets. I would also like clothes from Nordstrom and a boyfriend!

XoXo, Sarah

Dear Santa, This year, please give me a big fat bank account and a slim body. And please, don't mix those two up like you did last year.

Thanks, Lucy

Dear Santa, I have been very good this year and for Christmas I would like a Barbie house like my friend

Macy, an Ipad, a box of tacos, and a pet pig.

Love, Lily

Dear Santa, You better bring my pony this year. Or there will be consequences.

MJ

Dear Santa, This year I would like a wine glass holder for my treadmill.

Thanks you!

Dear Santa, When it was Saturday I thought I would try to be good the whole winter vacation. But it seems like I did not succeed. Will you still give me a present anyway?

From, Sofia L.

Dear Santa, I wanted to tell you I am fine. I don't know but if you can, could you possibly make it so I can turn into a dragon? Or a pet dragon? Either one will do. I would like it if you can make me turn into a dragon.

PS—Have a happy Valentine's Day!

SANTA WHO?

Can you guess which Jackson employee is playing Santa?

JACKSON LADIES NIGHT

The ladies of Jackson Contractor Group were out on the town last week! First stop was Big Sky Breakout and then downtown Missoula for a couple cocktails. These women know how to have fun together!

WHO WORE IT BETTER?

The social event of the year, the Jackson Christmas party, brought out the fashionista in everyone! Some fashion choices had us seeing double.

Good thing Bill Simmel had his name tag on or he would have been mistaken for Ryan Mitchell all night!

MISSOULA FOOD BANK UPDATE

Jackson works hard to be an integral part of the communities in which we live.

As part of Missoula Food Bank’s 32nd Annual Holiday Food Drive, Jackson Contractor Group offered a \$10,000 match donation on December 5th. It was a single day opportunity! Donors brought in \$10,560!

The Holiday Food Drive runs through the end of December. If you are interested and able to help those in need this holiday season, please consider the Missoula Food Bank.

Help Missoula Food Bank Raise \$225,000 & 55,000 lbs of food
 Donate online at missoulafoodbank.org

December 1st - 31st

DOWNTOWN BOZEMAN’S CHRISTMAS STROLL

Bozeman has a great tradition to kick-off the holiday season: The Christmas Stroll!

There were tons of events like horse-drawn wagons, Santa Claus, lighting ceremony, gingerbread house contest, Christmas carols, food vendors and more!

The Christmas Stroll is a free community event that is 100% supported by business sponsors and the sales of button souvenirs. It is put on every year without requiring an entry fee to enjoy strolling Main Street during the event.

Jackson, along with the Community Café, served up chicken chili and lots of holiday cheer!

AND THE WINNER IS...

Does this picture really need any explanation? The clear choice was Terry Vickrey. *(If you have to ask what Terry was the clear choice for, then you've missed the point entirely.)*

AN EARLY CHRISTMAS PRESENT

Congratulations to Cody Frey and his wife, Tiffany, on the arrival of their little girl, Aspen Lynn!

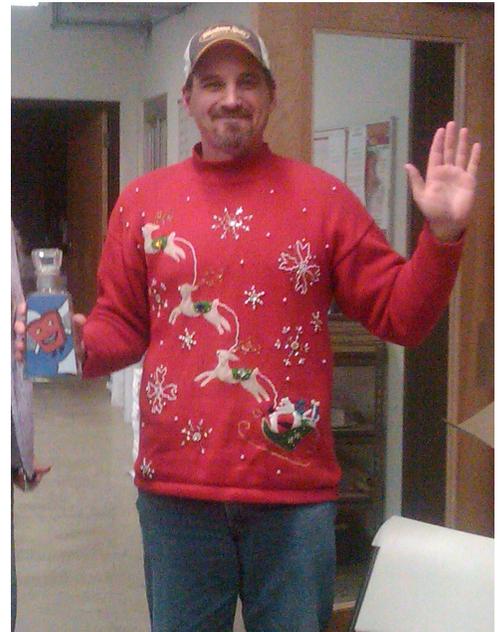

LETTER FROM THE PRESIDENT

We have had another incredible year! We find ourselves counting our blessings once again; the crew members that make Jackson Contractor Group a great place to work, the subcontractors that work together to accomplish cool projects, the architects who create a vision for us to build. We get to bring the dreams of our clients to life every day, how amazing is that?!

We grew again in 2017; in employees, in project size, in volume, and in geographic reach. With that kind of growth comes great responsibility. We have more mouths to keep fed, we have more hard hats to keep safe, and more miles to travel. We're up for the challenge!

2018 is looking like another busy year! That is both thrilling and intimidating. We're excited about the opportunities that lay ahead and we're working our butts off to ensure another successful year.

Thank you for another fantastic year! We'll see you in the new year!

A picture from Christmas past.
